The next LACCEI Conference will take place at the Universidad EAFIT, Medellín, Colombia, during the famous week of the Fair of the Flowers and the Soccer FIFA sub-20 World Cup. There will be many cultural events occurring that week for participants to enjoy. Along with the LACCEI conference multiple events will be co-located, including the IFEES-EfTAE Encuentro, the OAS Accreditation Workshop, and the first LACCEI Workshop for Deans.

Multi events in Medellin

Organized by:
Latin American and Caribbean Consortium of Engineering Institutions (LACCEI)
Hosted by:
Universidad EAFIT

Conference topics include but are not limited to:

**Engineering Education:**
- Accreditation
- Curriculum Improvement
- E-learning and distance education
- Engineering Entrepreneurship
- Enhancing Undergraduate Education
- Joint Degree and Certificate Programs
- Outreach Programs
- Technology for teaching and Learning
- University Management
- Internships

**Engineering Technology:**
- Biotechnology
- Construction Engineering
- Energy
- Engineering Design
- Engineering Infrastructure
- Engineering Innovation
- Engineering Materials
- Sustainable Engineering
- Industrial Engineering
- Information Technology
- Production Engineering
- Technology and Society
- Telecommunications
Product life management
Logistics
Manufacturing Engineering
Technology Management
Computational tools for Engineering

Engineering Practice:
Construction Management
Engineering entrepreneurship
Engineering for the Americas
Internationalization and Globalization of Engineering
Production Management
Project Management
